

This afternoon, ALTA participated in the Safety Day of GlobalX airline, an ALTA member since August 2022. Virginio Corrieri, our Director of Safety and Operations, attended the event and gave a presentation on ALTA's initiatives related to Safety in Latin America and the Caribbean.

The event addressed several important Safety topics, including Safety Culture, Freight Operations Safety, Aviation Safety Action Program – ASAP (voluntary reporting), and data sharing.

ALTA thanks GlobalX for the opportunity and congratulates them for the excellent initiative.
