Subject: Vurdhaan - ALTA Membership Proposal

Dear Himanshu,

I hope you are doing great.

As discussed in our call, I'm sending you attached our membership proposal for Vurdhaan. The document includes general information about ALTA, our working groups, conferences, membership benefits, and annual fee. Regarding this last point, we suggest that the payment be made in cash and in exchange for consulting services. Moving forward, we would need to define what are those services. Perhaps you could send us your proposal of data and reports that you could provide and that would add value to all our members in the region, while giving visibility to your brand as well.

Please, let us know if you have any questions or comments.

Kind regards,

Mercy Correia
