Required: **To note**

Dear Mr. Botelho,

I would like to thank ALTA and your support to the Regulatory Comparison Framework Project, which will provide a valuable tool for the improvement of the regulatory framework at the regional level.

I wish to express my sincere gratitude for the invaluable and significant contribution of ALTA, especially to Messrs. Juan Camilo Guerrero, Tech Ops & Data Director, Virginio Corrieri, Head of Operations, Safety and Security, and Ms. Monica Galván, Data Analyst, for the provision of resources supporting the search of the right platform to work and present the Regulatory comparison document. ALTA's personnel actively coordinated and supported the preparation of said document together with Mr. Marcelo Orellana, Regional Officer, Safety Implementation of this Regional Office.

I also would like to express our hope to continue counting on your support for the next phases of the Regulatory Comparison Framework Project, which will continue to analyse and compare other important regulations such as the approval of foreign commercial air operator, etc.

Thank you for ALTA's commitment to enhancing the aviation safety of the CAR Region and its Member States.

Accept, Sir, the assurances of my highest consideration.
