4 – 10 December 2022**

Action
Required: **To note**

Dear Sir,

Further to my letter Ref. NT-N1-7— E.OSG-NACC95504-SA542 dated 1 December 2022 regarding the contributions received by States and the industry, I wish to thank you and your team for the to support all States in carrying out the Safety Stand Down Awareness week between 4 and 10 December 2022.

The exercise of this year's initiative served to raise awareness, and was supported by the States and industry partners. The experience you provided will be considered to propose this initiative at a bigger scale than regionally.

I seek to enhance safety throughout this coming new triennial and this initiative will be part of said approach, now that the aviation is recovering from the COVID-19 pandemic situations and we need to look towards increasing participation and involvement in keeping safety at all levels.

Accept, Sir, the assurances of my highest consideration.
