

# **Latin American and Caribbean Air Transport Association Overview**

## ➤ **Mission**

Contribute to develop a safer, cost efficient, profitable and sustainable environment for airlines based in Latin America and the Caribbean.

**+ 170 Members**

**50 Airlines**

**The entire industry chain!**

# Industry challenges in Latin America and the Caribbean

- Economic context
- Cost competitiveness
- Saturated infrastructure
- Net-zero goals

## ALTA SAFETY AND FLIGHT OPS COMMITTEE AGENDA

- ✓ Identifying and **sharing best practices** and experiences among committee members for the benefit of all, while respecting confidentiality policies.
- ✓ Continuing the work of the **Emergency Response and Cabin Safety groups** to identify best practices and mitigate common risks faced by airlines.
- ✓ Supporting initiatives aimed at **harmonizing regulations** in the region.

## ALTA SAFETY AND FLIGHT OPS COMMITTEE AGENDA

- ✓ Encouraging and supporting the implementation of **Collaborative Safety Teams** in States within the region, as well as contributing to the work of already established teams.
- ✓ Actively participating in **safety initiatives led by ICAO** and other regional organizations.
- ✓ Gathering feedback from ALTA member airlines on the **main risks faced in the region** and proposing measures to mitigate them.
